

Docket No. 116523.00134  
Ser. No. 10/723,649

Remarks

In response to the Restriction dated August 24, 2005, Applicants elect the invention of Group I without traverse.

The Examiner required restriction to one of the following inventions:

- I. Claims 1-15, 28-41, and 52-59 drawn to a slidable room, etc.
- II Claims 16-23, drawn to a jamb
- III Claims 24-27, drawn to a frame
- IV. Claims 60-69, drawn to methods of assembly

Applicant believes that claims 60 and 61 belong with Group II, claims drawn to a cable adjuster, of the December 17, 2004 Restriction since these two claims are a method of adjusting the cable.

Respectfully submitted,  
Hahn Loeser & Parks LLP
